

EDUCATIONAL OUTREACH

December 22, 2008

Dear FRANK & CYNTHIA PECK:

We sincerely thank you for your valuable participation at the 2008 International Business Conference (IBC) at BYU Hawaii and Polynesian Cultural Center.

We've had an overwhelming response on how powerful the conference was and the influence it has had on our participants' lives and their various businesses.

We combined the President's Leadership Council (PLC) members with the IBC participants this year as we wanted all of our stakeholders to benefit from the blessing it was to have you teaching and presenting on our campus. Students were mentored, faculty and staff were motivated, and donors were inspired. The impact and influence you've had on our lives is immeasurable. Your significant role as a presenter added to the success of the conference.

Mahalo nui loa for spending your time with us.

Aloha,
